*"All Kinds of Cycling for All Kinds of People"*

## Winter 2025 Newsletter

Happy New Year (several weeks late)!

Hopefully better weather is just a few weeks away despite what the Pennsylvania rodent has to say about it. A club meeting was held on Thursday, February 6th at the Portside Tavern. No meeting took place – board-only or otherwise – in January, so we had a decent agenda to work through and some jobs to hand out. Please go through the full meeting minutes attached to this email for details. I'll highlight a few items here. In the meantime, here's a warmer clime to inspire your workouts?

**Membership Renewal:** Now's the time of year to renew. This newsletter is being sent to LAST YEAR'S membership and sponsor list, but this will likely be the last communication from the club for 2025 to use that list. Please renew your membership to ensure you keep receiving our infrequent but highly entertaining and informative email blasts! :) We try to keep the frequency to a minimum and not "spam" you all.

<https://www.bikereg.com/cape-cod-cycling-club-annual-membership>

**Sponsors:** Emails will likely go out in the next few weeks asking sponsors if they'd like to renew for 2025. We've typically had great retention on our sponsors. If you're one and you're reading this, thanks for your sponsorship in the past and we hope you'll continue. We're hoping to get the sponsors wrapped up quickly allowing us to move on to kit updates. If you're not able to renew this year, please reach out as soon as possible. The link is below, but BikeReg (Outside) is tacking on hefty fees for doing it this way. If you'd like to send in your sponsorship amount via check, please see the POBox address at the bottom of this newsletter.

**Kit Credits and Ordering Update:** The race team sent out a message asking for kit credit-qualifying events. Be aware, that we agreed this year that you **MUST ORDER** kit from Verge to receive kit credit checks. See the attached meeting minutes for a little more detail and check your inboxes. This is a busy time as we plan for the upcoming year while wrapping up last year, so there's a little more email communication.

**Volunteers:** Volunteers are always welcomed if you'd like to assist with ANY of the functions listed on the "job list" attached with the meeting minutes. There are a few tasks, notably the two memorial rides, that could use a champion to help with organization and planning. If you see something else on that list that interests you, please reach out. If you're name's already on the list, please be aware that this is just for planning purposes and we cut-and-pasted some information from last year. If we've incorrectly assumed something or volunteered you for a task you can't fulfill, just let us know and we'll work on alternatives.

**Scholarship:** C4 will again be giving away at least one \$500 scholarship to a Cape Cod senior this year. If you have one in your family or know one that meets the criteria, please have them review this page on our website and fill out the online application.

**Next Meeting:** Communication about the next "all club" meeting will be sent soon. Tentative date is Thursday, March 6th. Details and location pending. Please check Facebook for details in the event another newsletter doesn't reach you before this date. Also, please RSVP to the event if you plan to attend for purposes of ordering the right amount of food.

As always, if you have items for the board, please email [capecodcyclingclub@gmail.com](mailto:capecodcyclingclub@gmail.com). If you want to reach out to me directly, either regarding the board or another topic, use: [dthempel@gmail.com](mailto:dthempel@gmail.com).

Regards,

Doug
